Report of Principal and School

Located in suburban Greenville County, Riverside High School is a AAAA traditional high school serving a student population of 1620 students. Riverside offers a rigorous academic program with three levels of instruction and has a continued goal to maintain high expectations for all its students. Having received the honors of Palmetto's Finest High School and a Flagship of Promise, Riverside emphasizes and challenges all students to improve and succeed in reading, mathematics, and critical thinking skills. The 2013-14 school year proved a very successful one as Riverside received "Excellent" Absolute Rating and a "Good" Growth Rating on the 2013 School Report Card as well as a "B" rating for the ESEA Waiver.

Riverside has continued to maintain a high SAT average for its senior class. The latest score for 2013 was 1557 which was above both the state and national averages. The faculty developed a strategic plan to integrate extensive practice of critical reading and math skill during a daily designated reading period. Through this emphasis, the goal is to increase the reading, writing, and math scores with students in grades 9 and 10 on the End of Course and the HSAP along with the SAT, ACT, and Advanced Placement scores for grades 11 and 12.

The 2013-2014 student body brought many honors and accomplishments to the Reservation. The Youth in Government delegation received "Outstanding" designation and had the fifth consecutive youth governor elected. The Speech and Debate team received First Place in South Carolina for the third year in a row. The Class of 2014 had four National Merit Finalists and was awarded over \$11 million in college scholarships for the next four years. 99.9% of the class passed HSAP to graduate. Thirty-four athletic teams entered AAAA competition and received AAAA State Champion Winners in swimming and cross country. The Class of 2014 also had two graduates recognized by Greenville County Schools for having the highest ACT average of 36 and the highest SAT score of 2400.

The scores for the End of Course tests taken in May 2014 reflected much success with over 350 students taking the Biology EOC with a passing rate of 87.7 %, with over 300 taking English 1EOC with a passage rate of 86.4%, with approximately 300 students taking Algebra 1 EOC with a passage rate of 92.8%, and with 355 students taking the U S History EOC with a passage rate of 85.1%.

The community has served as an invaluable partner with the faculty and students. 2013-2014 was a very busy year for parent and community involvement. The student council led the student body in many activities to raise money for children to take a trip to Disney World through the Make a Wish Foundation. Parents, also, contributed thousands of hours working athletic events, in the school store, and during lunch shifts. Even with a much larger facility and more students, Riverside continues to strive to maintain its high level of academic excellence to meet the needs of all students.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	93.5
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Riverside High School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
